Make Up Your Mind, Make Up Is Lies

make up baby yeah puts you right between the eyes with a feeling that you finally realize

the truth is then and there youre living out a lie you put your fist in the air and you shout make up is a lie lets go

make up is lies make up is lies make up is lies make up is lies

make up is another word for goodly skies if youre sewed on to your skin your skin needs shine to die

make up is the word when you need to be in rehab when they knew theyd land in new found land yeah werent they glad

make up is lies make up is lies make up is lies make up is lies
