

Malia, The Stem, The Thorns And The Rose

I have lived a lonely time
Of pleasing you or die,
Washed away my coloured thoughts,
And chewed the smile from me,

Refrain 1

My heart big and warm
My thought brushed aside
Still he turns the knife in my side

Refrain 2

My heart big and strong
My soul lost and torn
Still I'll stand here with pride

You still don't accept me,
Thus pleasing you till dawn,
Obstacles before me,
So I could never fly,

Refrain 1

Bled away my strength
So that I would break
But I know I'll run and hide

I won't run and hide
I won't run and hide

Your guilt is not enough, enough

I won't run and hide

Refrain 1 & 2 x 2

Last line of refrain: Still I stand by your side!
