

Malik Montana, Die For Me feat. Pappaisjappa (p

Die for me
When you gonna die for me
Are you really gonna ride for me
Are you really gonna stop with me
Why you in love with me
I know you got love for me
Tell me why you going soft on me
Tell me why you wanna stop with me, yeah

Mam kilka pytań kotek, tylko szczerze
Zależy ci na mnie, czy na tym papierze
Czy mogę liczyć na ciebie nawet w potrzebie?
Czy jeśli dziś upadnę to wyciągniesz rękę?
Trzyma stal, trzyma stuff, wie jak zachować się
Jak zatrzyma nas, policja, wie jak zachować się
Najpierw biznes potem robię ją
Jak nabroi na nią kładę dłoń
Nie wiem jak do tego mogło dojść
Znowu mamy nieprzespaną noc

Die for me
When you gonna die for me
Are you really gonna ride for me
Are you really gonna stop with me
Why you in love with me
I know you got love for me
Tell me why you going soft on me
Tell me why you wanna stop with me, yeah

Shawty wanna ride for a nigga
Said she hold me down, like my nigga
You know she going down on a nigga
You know she going down on a nigga
[?]I'm being [?]
You know we run the business
I know I ain't your daddy, but you still call me daddy, yeah
I'm flexing like a motherfucker put you on the map
Fuck you like a broke nigga, breaking your back
I got that Long Dick Style
I go deeper than rap
My spirit so deep I got lost in the map
I got the key to your heart
And you still running back

Die for me
When you gonna die for me
Are you really gonna ride for me
Are you really gonna stop with me
Why you in love with me
I know you got love for me
Tell me why you going soft with me
Tell me why you gonna stop with me, yeah
