

Manfred Mann, Demons And Dragons

Dragons rage outside your door
But I'm on my way to save you
Demons wage unholy war
But I'm on my way to save you

But the demons never need to know
What the demons never got to see
As we fall in and out of line
Stay in touch now for a while

But the demons never got to read
What we never got around to write
As we fall in and out of line
Stay in touch now for a while
