

Manfred Mann, Visionary Mountains

Visionary mountains
Above and afar
Like answers to questions
Of life, Love
Love and the longing to survive

Truth though distorted
Are words I create
Today the parting
Tonight, tonight
At the peak of your
Visionary mountains

Visionary mountains
Above and afar
Like answers to questions
Of life, Love

Visionary mountains

Visionary mountains
Above and afar
Like answers to questions
Of life, Love
Love and the longing to survive
Love and the longing to survive
