

# Manowar, Sons Of Odin

(oh)

Here to the blaze  
I wander  
Through this black night  
I pounder  
The edge of our mighty swords  
Did clash  
Fallen by our axes  
Helmets smash

Glory and fame  
Blood is our name  
Souls full of thunder  
Hearts of steel  
Killers of men  
Of warriors friend  
Sworn to avenge our fallen brothers  
To the end

One day too  
I may fall  
I will enter Odin's Hall  
I will die sword in hand  
My name and my deeds will  
Scorch the land

Glory and fame  
Blood is our name  
Soul full of thunder  
Hearts of steel  
Killers of men  
Of warriors friend  
Sworn to avenge our fallen brothers

Sons of the gods today we shall die  
Open Valhalla's door  
Let the battle begin with swords in the wind  
Hail Gods of War

(Solo)

Sons of Odin we for  
By the hammer of Thor  
Ride down from the sky  
Another is born  
Another shall fall  
This day bent will die

(oh) Let the battle begin with swords in the wind

(oh) Hail

(oh) Gods

(oh) of War!!!

(Onward into the heart of battle

Fought the sons of Odin

Outnumbered many times

Still - they fought on

Blood poured forth from their wounds

Deep into the earth

Vultures waited for the broken shells

That once were bodies

Thus Odin alone would choose the day

They would enter Valhalla

And in their hour of need

He sent forth onto them The Berserker Rage

Now gods embed

They grows up from the ground

Screaming like wild animals

Such is the gift of absolute power

No blade or weapon would hurt them

They killed them and horses alike

And all who stood before them died that day

Hail Gods Of War)
