

Marc Anthony, Need To Know

They say around the way you've asked for me
There's even talk about you wanting me
I must admit that's what I wanna hear
But that's just talk until you take me there
1- Oh, if it's true don't leave me all alone out here
Wondering if you're ever going to take me there
Tell me what your feeling cuz I need to know
Girl you gotta let me know which way to go
2- Cuz I need to know
I need to know
Tell me baby girl cuz I need to know
I need to know
I need to know
Tell me baby girl cuz I need to know
My every thought is of this being true
It's getting harder not to think of you
Girl I'm exactly where I want to be
The only things I need you here with me
Repeat 1
2
repeat until fade
