

# Marc Anthony, Show Me The Way

Show Me The Way

I just assumed love was something I knew  
Said the words and believed they'd come true

Afraid to let go of my pride  
To admit I was empty inside

There were days when it took all I had  
Just to get through without feeling sad  
Till there was you

In my life

Girl I can't get you out of my mind  
(come change my heart) Come change my heart

(rest my soul) Rest my soul  
(don't let me go) Don't let me go

(I will be yours) I will be yours  
('cause I feel it now) I feel it now

This can't be wrong

Baby

Show me the way to your heart  
(just close your eyes) Just close your eyes

(take my hand) Take my hand  
(don't let me go) Don't let me go

(tonight I'm yours) Tonight I'm yours  
(and I feel it now) I feel it now

This can't be wrong

Baby

Show me the way to your heart

Teach me to love

There was a time when I'd pray for the strength  
For the loneliness I couldn't face

And time won't erase that pain  
But I swear to you girl I have changed

I've been waiting for you all my life

Baby stay with me here tonight

Don't ever go away

Believe my words when I say  
(come change my heart) Come change my heart

(rest my soul) Oh, rest my soul  
(don't let me go) Don't let me go

(I will be yours) I will be yours  
('cause I feel it now) 'Cause I feel it now

This can't be wrong

Baby

Show me the way to your heart  
(just close your eyes) Just close your eyes

(take my hand) Take my hand  
(don't let me go) Don't let me go

(tonight I'm yours) Tonight I'm yours  
('cause I feel it now) 'Cause I feel it now

This can't be wrong

Baby

Show me the way to your heart  
There were days when it took all I had

Just to get through without feeling sad  
Till there was you in my life

Girl I can't get you out of my mind  
(come change my heart) Come change my heart

(rest my soul) Rest my soul  
(don't let me go) Don't let me go

(I will be yours) I will be yours  
('cause I feel it now) 'Cause I feel it now

This can't be wrong

Baby

Show me the way to your heart  
(just close your eyes) Just close your eyes

(and take my hand) And take my hand  
(don't let me go) Don't let me go  
(tonight I'm yours) Tonight I'm yours  
(and I feel it now) And I feel it now  
This can't be wrong  
Baby  
Show me the way to your heart
