

Marc Bolan, Lady

Lady, like a like a lady like a like a
I'm gonna give all my love to you
Lady, like a like a lady like a like a
I'm gonna dance ill the rain for you
Got you feeling, mama
Got the feeling, mama
Got to dream about it, yeah, yeah
Shaking, my bones are aching
I'm like a scampering train for you
Baby, like a like a baby like a like a
I'm gonna give my pain to you
