Damn, What time is it

All snap, I gotta go to work

Hold up a minute

CHORUS

All I got is 15 minutes, and I wanna get up in it

Ain got no time to talk, just come and break me off

Ain got no time for love, just come and give me some

Ain got no time to talk, just come and break me off

7:45 on the dot, guess I late for work but I feeling kind of hot

I see you downstairs pouring juice

Flippin my eggs but I wanna flip you

Because your, standing right there in your neglig

Thinking should I hit it but damn I late (damn I late)

Maybe a quickie would make my day (oh)

Itl make my day, itl make my day oh oh

CHORUS 2X

I bet he gonna wanna know why, and I just can tell him no lie

She laying right here in her negligee (negligee)

Right now I don care just cut my pay (cut my pay)

You do the same if you were in my place, with that booty up in yak face

CHORUS 2X

The first two minutes girl were gonna take out time

Freak you down hit you from behind

The next three minutes oh were gonna get on the floor

Say my name and make me want some more

Hurry up scream it out, let it go girl

And when you arrive our time is up

So scream much louder
