

# Marc Terenzi, Painted of my heart

And I thought  
You'd be out of my mind  
And I finally found a way  
To learn to live without you  
And I thought  
It was just a matter of time  
Till I had a hundred reasons  
Not to think about you  
But it's just not so  
and after all this time  
I still can't let you go

Refrain:

And I still got your face  
painted on my heart  
Drawn upon my soul  
Etched upon my memory Baby  
And I got your kiss still burning on my lips  
Your touch on my fingertips  
This love so deep inside of me Baby  
And I'm trying  
everything that I can  
To get my heart to forget you  
But I just can't seem to  
Guess it's just no use  
In every part of me  
There's still a part of you

Refrain:

And I still got your face  
painted on my heart  
Drawn upon my soul  
Etched upon my memory Baby  
And I got your kiss still burning on my lips  
Your touch on my fingertips  
This love so deep inside of me Baby  
I still got your face  
Painted on my heart  
Painted on my heart  
Painted on my heart  
Yeah

Something in your eyes keeps haunting me  
And I try to escape you  
And I know there ain't no way to  
No way to chase you from my mind

Refrain:

I still got your face  
painted on my heart  
Drawn upon my soul  
Etched upon my memory Baby  
I got your kiss still burning on my lips  
Your touch on my fingertips  
And I still got your face  
painted on my heart  
I still got your memory  
Painted on my heart  
Painted on my heart
