

Marcin Rozynek, Wait

Wait to night
People have grown
Wait in shackle better before
Wait slipping like candlelight
Wait close the magazines witch or totally crap
Wait on cushion or on my chair
It?s really doesn?t matter
Really funny
Wait till you ___ on my back
It?s really doesn?t matter
Really funny

(sorry, ze słuchu ? proszę o poprawkę, to ponoć jest tekst grupy L.Standt)
