

Marcin Turski, Peace, Love, Music

Change the world!
What is wrong?
We fighting for so long
Why aren't we able to change the world?
Change the world!
I got the plan to change the world
Listen, man!

Peace, love, music! /8x

What is fire ___
If you feel music
It's brings us something
That we're living for it
Love, the power of love
Bigger than the love of power
Have we forgotten that why that verse is written
Listen, man
We have to do something about it

Change the world!

Peace, love, music! /8x
