

Marcus & Martinus, We Are Not The Same

No, I don't go to parties, I do shows
Ballin' with your mami she like "Wow"
You think you won the game, I still made the rules, though
We are not the same, oh, no
I don't gotta Google 'cause I know
Runnin' through the city with my woes
You think you won the game, I still made the rules, though
We are not the same, like wow

Sleeping off the migraines
Giving me head 'cause I know you love the mind games, yeah
I don't know what you wanna do, babe
I don't like you, but I like your body
I ain't like nobody, yeah
Face so good they made of cavie (Cavie)
You don't gotta worry
Vroom, vroom, I'm a 'Rari

Two times two, giddy up, give me three plus five
How much is that, I don't know I'm so damn high
3-6-9, get low, girl, you so fine
She brought the wine, asked me where I'm going, I'm like "Oh"

No, I don't go to parties, I do shows
Ballin' with your mami she like, "Wow"
You think you won the game, I still made the rules, though
We are not the same, oh, no
I don't gotta Google 'cause I know
Runnin' through the city with my woes
You think you won the game, I still made the rules, though
We are not the same, like wow

Menage à trois, three, two, one, let's have some fun
Two girls brushin' on up, they doin' things I find it impressive (Wow)
Eminem, Baby no Cashy, off the shits might get arrested (Huh?)
Hold up, wait, I pay taxes
Your girlfriend gotta give hall passes
I'm so rich, gotta come the fastest
Sugarbabe bitch, of course I'm Cassius
Boil it, mash it, stick 'em in the stew
While I'm walkin' on money my carpet blew
My shit caught money your rent is due
Got a car with wings but I still flew
I print that money that's facts so true
Your girl want bbno\$, say, "Who?"

No, I don't go to parties, I do shows
Ballin' with your mami she like, "Wow"
You think you won the game, I still made the rules, though
We are not the same, oh, no
I don't gotta Google 'cause I know
Runnin' through the city with my woes
You think you won the game, I still made the rules, though
We are not the same, like wow
