

# Margaret, BLUE VIBES

I've got my eyes  
Eyes on you

(I feel your move  
I can feel your move)

And, do you feel like I do?

(I feel your move  
I can feel your move)

You've gotta go left  
You've gotta go right  
You've gotta go up  
You've gotta go down  
Are you Wanna give it a try?  
Are you Wanna give it a try?

You assume a snap  
jump, pump it up  
Bring a happy back back  
Sipping my cup  
Are you Wanna give it a try?  
Are you Wanna give it a try?

BLUE VIBES  
I feel so alive  
Let's blow like a dynamite  
Come joint me  
And let's dance tonight  
BLUE VIBES  
Dance from night to night  
\_\_\_ lights  
Come joint me  
And let's dance tonight

Tonight, tonight  
We' gonna get blue vibes  
/3x

We' gonna get blue vibes

Get on the floor  
And give me moor

(I feel your move  
I can feel your move)

And you wouldn't get bored  
On this magic toy

(I feel your move  
I can feel your move)

You've gotta go left  
You've gotta go right  
You've gotta go up  
You've gotta go down  
Are you Wanna give it a try?  
Are you Wanna give it a try?

You assume a snap  
jump, pump it up

Bring a happy back back  
Sipping my cup  
Are you Wanna give it a try?  
Are you Wanna give it a try?
