

Margaret, Thank You Very Much

Space calling earth again
Say: What?
Houston this is the end
We're lost
Tick tick tick tack
Time's up
Station is shutting down
I guess, bad luck

Barberalla meets Godzilla
Since you invited both, cling to your pantyhose?

I want to thank you much
Thank you very much
Thank you very much
I wanna say I'm sorry but I'm really not
I guess I've had enough
I'm feeling dangerous
I wanna say I care, but I'm gonna say

Fresh out of gratitude
It's gone
You suck, like your attitude
I won
Flake, flakey, flakey flake
So sad
I am stirred, but I will not shake
It's rad

I want to thank you much
Thank you very much
Thank you very much
I wanna say I'm sorry but I'm really not
I guess I've had enough
I'm feeling dangerous
I wanna say: I care, but I'm gonna say
?bout this thrilla? in Manilla?
What goes around my friend, bites you right at the end?
