

Maria Sadowska, Crazy Girl

Pretty boy, play with me,
'cause I wanna play with you.
It's a game, can't you see?
Start it and you won't be blue!

Playing jazz and having fun,
singing, dancing all night long,
making love all the time,
that's the rules that you should know!

If you wanna play that game,
come to me and touch my cheek.
Show me how much can you care
if you wanna play with me.

Do you wanna be my boy
as I wanna be your girl?
If you do, so let it go,
I will try to play it fair.

If you want me, I will lose,
'cause that's the way it is.
But if I win, then you will have
to give me long sweet kiss.

Pretty boy, play with me,
'cause I wanna play with you.
It's a game, can't you see?
Start it and you won't be blue!

Playing jazz and having fun,
singing, dancing all night long,
making love all the time,
that's the rules that you should know!

(I could be your) crazy girl! (x3)
(I could be your) crazy, crazy, crazy girl!

Pretty boy, play with me,
'cause I wanna play with you.
