

# Maria Sadowska, Life Is A Beat

It's a crazy, crazy life  
It's a crazy, crazy life

I couldn't slow down  
But I run my way  
They try to (?) me  
With a regular (?)  
They shut me down  
(?)  
It's my soul any way

I mean enough to take my first big step  
I am (?) enough to make a change  
I'm into (?) big drum  
Coz Life Is A Beat

It's a crazy, crazy life  
It's a crazy, crazy life  
It's a crazy, crazy life  
Crazy life  
Coz Life Is A Beat gonna make me feel  
Got a gimmick
