

# Mariah Carey, All My Life

I've been waiting for someone to come into my life  
Who would bring me joy and give me pleasure  
I have taken chances on romances once or twice  
And I found that in my heart it's you I treasure  
You and only you can make me feel the way I do  
You and only you can make it better  
You and only you can do the freaky things you do  
And I'm so into you and that's forever and ever  
All my life  
My love's been waiting for you  
All my life  
My heart's been waiting too  
All my life?????  
I've been wishing on a star  
I've been praying on my knees  
I've got some sly and sexy tricks to show you  
Most of all I'll give you anything boy that you need  
To keep you right here by my side  
I know you  
I'll show you  
You and only you can make me feel the way I do  
You and only you can make it better  
You and only you can do the freaky things you do  
And I'm so into you and that's forever and ever  
All my life  
My love's been waiting for you  
All my life  
My heart's been waiting too  
Don't you know I need you  
And adore you  
All my life I'll give to only you
