

# Mariah Carey, Alone In Love

Hooo  
Mh

Swept me away  
But now I'm lost in the dark  
Set me on fire  
But now I'm left with a spark  
Alone, you got beyond the haze and  
I'm lost inside the maze  
I guess I'm all alone in love

I look into your eyes  
You turn the other way  
And now I realize  
It's all a game you play  
I hold you in the night  
And wake to find you gone  
You're running out of sight  
It's so hard holding on  
All alone in love

Swept me away  
But now I'm lost in the dark  
Set me on fire  
But now I'm left with a spark  
Alone, you got beyond the haze and  
I'm lost inside the maze  
I guess I'm all alone in love

You haunt me in my dreams  
I'm calling out your name  
(Calling out your name)  
I watch you fade away  
(You know your love is not the same)  
I've figured out your style  
To quickly drift apart  
(To quickly drift apart)  
You held me for a while  
Planned it from the start  
All alone in love

Sitting in the dark without you  
How am I supposed to make it  
Through the night  
(How am I supposed to make it)  
(Through the night)  
(How am I supposed to make it)  
Slowly fall apart without you  
Cry away the hours  
Till the morning light

Swept me away  
But now I'm lost in the dark  
Set me on fire  
But now I'm left with a spark  
Alone, you got beyond the haze and  
I'm lost inside the maze  
I guess I'm all alone in love
