Mariah Carey, Anytime You Need A Friend

Hmm hmmmmm

If you're lonely
And need a friend
And troubles seem like
They never end
Just remember to keep the faith
And love will be there to light the way

(Anytime you need a friend)
I will be here
(You'll never be alone again)
So don't you fear
(Even if you're miles away)
I'm by your side
So don't you ever be lonely
Love will make it alright

When the shadows are closing in And your spirit diminishing Just remember you're not alone (oooohoh) And love will be there To guide you home

(Anytime you need a friend)
I will be here
(You'll never be alone again)
So don't you fear
(Even if you're miles away)
I'm by your side
So don't you ever be lonely
Love will make it alright

If you just believe in me I will love you endlessly Take my hand Take me into your heart I'll be there forever baby I won't let go I'll never let go

Anytime you need a friend I will be here You'll never be alone again So don't you fear Even if you're miles away I'm by your side So don't you ever be lonely (It's alright) It's alright It's alright Yes You know it's alright

(Anytime you need a friend)
I will be here
(You'll never be alone again)
So don't you fear
(Even if you're miles away)
I'm by your side
So don't you ever be lonely
Love will make it alright
