

Mariah Carey, Bring It On Home (Obama Tribute

We just ever dead people
Tryina make it through the pain
Yet, we intention now to hurt each other
Playing silly games

But when it comes down to win or lose
Don?t give up the fight
Cause strength is what we need
And love can save our lives

So bring it on home
You can bring it home
Bring it on home
I know we gon bring it home

So when you?re down and frustrated
Let ?em all keep debating
Because we gon win
And everybody be prepared to do the best that you can do cause I know we going in

Bring it on home (bring it on, bring it on home)
You can bring it home
Bring it on home (yea yea)
I know we gon bring it home

Bring it, bring it, bring it, bring it, bring it
Bring it on home
Cause we gon, we gon, we gon, we gon, we gon
We going in

Everybody say yea yea
Go to bring it home
Yea yea
I know we can bring it home

Cause we gonna, we gonna, we gonna win
Go on and bring it home
Cause we going, we going, we goin in
Go on and bring it home

So bring it on home
You can bring it home
Bring it on home
I know we gon bring it home

So bring it on home
You can bring it home
Bring it on home
I know we gon bring it home
