

# Mariah Carey, Bye Bye

This is for my peoples who just lost somebody  
Your best friend, your baby, your man or your lady  
Put your hand way up high  
We will never say bye (no, no, no)  
Mamma's, daddy's, sisters, brothers, friends and cousins  
This is for my peoples who lost their grandmothers  
Lift your head to the sky  
'Cos we will never say bye  
As a child there were them times  
I didn't get it but you kept me in line  
I didn't know why you didn't show up some times  
On Sunday mornings and I missed you  
But I'm glad we talked through  
All them grown full things separation brings  
You never let me know it, you never let it show  
Because you loved me and obviously  
Theres so much more left so say  
If you were with me today face to face

Chorus

I never knew I could hurt like this  
And everyday life goes on like  
I wish I could talk to you for awhile  
Miss you but I try not to cry  
As time goes by  
And as soon as you reached a better place  
Still Ill give the world to see your face  
And we were here next to you  
It feels like you're gone too soon  
Now the hardest thing to do is say bye bye  
(Bye bye bye bye bye bye) x3

Bye bye

And you never got a chance to see how good Ive done  
And you never got to see me back at number one  
I wish that you were here to celebrate together  
I wish that we could spend the holidays together  
I remember when you used to tuck me in at night  
With the Teddy Bear you gave me that I held so tight  
I thought you were so strong  
You'd make it through whatever  
Its so hard to accept the fact youre gone forever

Chorus

I never knew I could hurt like this  
And everyday life goes on like  
I wish I could talk to you for awhile  
Miss you but I try not to cry  
As time goes by  
And as soon as you reached a better place  
Still Ill give the world to see your face  
Am standing right here next to you  
It feels like you're gone too soon  
Now the hardest thing to do is say bye bye  
(Bye bye bye bye bye bye) x3
