

# Mariah Carey, I Don't (ft. YG)

Said me another lie  
Whisper in moment in time  
Given you everything that you needed  
I was even down to repeated

Said, that you always be mine  
I mean nothing but lies  
I was so ... - I admit it  
Having this though for a minute

But I'm tired crying  
No more tears

...  
All that  
Given you what's mine was he  
I was caught up  
I was ...  
You play with my smile

Coz if you love someone  
You just don't treat them that

All the things are coming back  
But I don't
