Mariah Carey, I Want To Know What Love Is

I gotta take a little time A little time to think things over I better read between the lines In case I need it when Im older

Now this mountain I must climb Feels like a world upon my shoulders I through the clouds I see love shine It keeps me warm as life grows colder

In my life theres been heartache and pain I dont know if I can face it again Cant stop now, Ive traveled so far To change this lonely life

I wanna know what love is I want you to show me I wanna feel what love is I know you can show me

Im gonna take a little time
A little time to look around me
Ive got nowhere left to hide
It looks like love has finally found me

In my life theres been heartache and pain I dont know if I can face it again I cant stop now, Ive traveled so far To change this lonely life

I wanna know what love is I want you to show me I wanna feel what love is I know you can show me

I wanna know what love is I want you to show me

And I wanna feel, I want to feel what love is And I know, I know you can show me

Lets talk about love
I wanna know what love is, the love that you feel inside
I want you to show me, and Im feeling so much love
I wanna feel what love is, no, you just cannot hide
I know you can show me, yeah

I wanna know what love is, lets talk about love I want you to show me, I wanna feel it too I wanna feel what love is, I want to feel it too And I know and I know, I know you can show me Show me love is real, yeah I wanna know what love is...
