

Mariah Carey, If It's Over

Mh huhuh
Oh yeah

Won't you talk to me
This is so out of hand
Something's gone wrong (mhh)
With the life we than planned (yeah)

Won't you look at me
You're avoiding my gaze
Yes you are
And it seems like you've changed
In so many ways
Yeah

It isn't fair
It isn't right
If it's really gone
Then tell me tonight
If it's over
If it's over
Let me go
(Just let me go)

Won't you speak to me
I'm just holding on (holding on)
'Cause baby I really don't need to
Wait around (oh no)
If the feeling is gone

It isn't fair
It isn't right
If it's really gone
Then tell me tonight
If it's over
If it's over
Let me go
(Just let me go)

Don't you know
I don't need no apologies, no
I'm not looking for sympathy
All I'm asking for
Is for your honesty
Won't you give it to me
Give it to me now

It isn't fair
It just isn't right
'Cause if it's really gone
You've got to say the word tonight
Oh yeah
If it's over
(Over)
If it's over
Won't you let me know
Baby if it's over
(Over)
If it's over
Over - let me go
(Just let me go)
