Mariah Carey, Never Too Far

You're with me
Til the bitter end
What we had transcends
This experience
Too painful to
Talk about
So I'll hold it in
Til my heart can mend
And be brave enough to love again

A place in time Still belongs to us Stays preserved in my mind In the memories there is solace

Never too far away I won't let time erase One bit of yesterday Cause I have learned that Nobody can take your place Though we can never be I'll keep you close to me When I remember

Glittering lights Incandescent eyes Still preserved In my mind In the memories I'll find solace

Never too far away I won't let time erase One bit of yesterday And I have learned that Nobody can take your place Though we can never be I'll keep you close to me And I'll remember

A place in time Still belongs to us Stays preserved in my mind In the memories there is solace

Never too far away I won't let time erase One bit of yesterday Cause I have learned that Nobody can take your place And though we can never be I'll always think of you and me Always remember

Love

You're never too far
