

# Mariah Carey, One Sweet Day

B II M:

Sorry I never told you  
All I wanted to say  
And now it's too late to hold you  
'Cause you've flown away  
So far away  
Ayyy

MC:

Never had I imagined  
Living without your smile  
Feeling and knowing you hear me  
It keeps me alive  
Alive

all:

And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together

(MC: Together)

One sweet day

MC:

Eventually I'll see you in heaven...

B II M:

Darling, I never showed you (I never showed you)  
Assumed you'd always be there (I thought you'd always be there)  
I took your presence for granted

But I always cared

(MC: But I always cared)

And I miss the love we shared

all:

And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together

(MC: Together)

One sweet day

MC: Eventually I'll see you in heaven

B II M:

Although the sun will never shine the same  
I'll always look to a brighter day

MC:

Yeah

Lord I know when I lay me down to sleep

You will always listen as I pray

all:

And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together

(MC: Together)

One sweet day

all:

And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together

(MC: Together)

One sweet day

MC: Sorry I never told you (ooh)

all: All I wanted to say
