## Mariah Carey, Outside

It's hard to explain Inherently it's just always been strange Neither here or there Always somewhat out of place everywhere Ambiguous Without a sense of belonging to touch Somewhere halfway Feeling there's no one completely the same

Standing alone
Eager to just
Believe it's good enough to be what
You really are
But in your heart
Uncertainty forever lies
And you'll always be
Somewhere on the
Outside

Early on, you face
The realization you don't
have a space
Where you fit in
And recognize you
Were born to exist

Standing alone
Eager to just
Believe it's good enough to be what
You really are
But in your heart
Uncertainty forever lies
And you'll always be
Somewhere on the
Outside

And it's hard And it's hard And it's hard

Irreversibly Falling in between And it's hard And it's hard To be understood As you are As you are Oh, and God knows That you're standing on your own Blind and unguided Into a world divided You're thrown Where you're never quite the same Although you try-try and try To tell yourself You really are But in your heart-uncertainty forever lies And you'll always be Somewhere on the outside
