

Marie Fredriksson, Sea of Love

Like a Sea of Love
you and I
me and you
you're so strong
and i am so blue
close to you
i fee the sun

one for all
and all for one

place yourself
in a world
where every boys could be hme
not just me
and not just you
but all of us
like a sea
Sea of Love
of Love
of Love

i woke up
in a dream
we were one
just like a team

we watch together
the comon goals
peace in mind
and in our souls

free to live
your only life
without hate
and with no strive
in a world
where we could live
side by side
like the sea
Sea of Love
of Love
of Love
