I know that you probably know a lot of fine girls
I know that we've known each other only since few days
I know that you're busy bwoy and girls take a lot of time, right i know that you're b-boy keep your b-boy life

Cause you can be sure of me cause I've made my choice You can be sure of me I'm not looking for fast love

I know that you're b-boy keep your b-boy life I'm not gonna make you change your hardcore style somehow we're similar Cause music rules our lives, right And that's why I see a possibility to get closer So i say

Any any anyway
I'm not going anywhere
I just wanna make it clear
I've maid my choice
Any any anyway
I'm not going anywhere
I just wanna make it clear
