

# Marillion, Hooks In You

(Hogarth/Helmer/Kelly/Mosley/Rothery/Trewavas)

I feel so strange what's wrong with me  
You've got a problem that you can't see  
But I've got a feeling all the rumours are true  
I see the girl's got a hook in you  
You carry on believing  
That you can take or leave it  
Now who are you deceiving  
Cause when its own up time  
She's in back of your mind

She's got her hooks in you

You said you'd never let it happen again  
You spend your money and you're deeper in  
Your fair-weather friends call two by two  
To let you know what's wrong with you

But now your heartbeat's thumpin'  
You watch your nerve ends jumpin'  
Well I can tell you something  
When it's own up time  
You're gonna toe the line

She's got her hooks in you  
She's got her hooks in me too
