

# Marilyn Manson, Heart Shaped Glasses (When T

She reminds me of the one in school  
When I was cut and she was dressed in white  
And I couldn't take my eyes off her  
But that's not what I took off that night  
And she'll never cover up what we did with her dress, no  
She said "kiss me it'll heal but it won't forget"  
&quot;Kiss me it'll heal but it won't forget&quot;

I don't mind you keeping me on pins and needles  
If I could stick to you and you stick me, too

(Chorus)

Don't break, don't break my heart  
And I won't break your heart-shaped glasses  
Little girl, little girl you should close your eyes  
That blue is getting me HIGH

Don't break, don't break my heart  
And I won't break your heart-shaped glasses  
Little girl, little girl you should close your eyes  
That blue is getting me HIGH  
Making me low  
That blue is getting me HIGH  
Making me low

She reminds me of one I knew  
That cut-up negatives of my life  
I wouldn't take my hand off her  
She wouldn't let me be anywhere but inside

I don't mind you keeping me on pins and needles  
If I could stick to you and you stick me, too

Don't break, don't break my heart  
And I won't break your heart-shaped glasses  
Little girl, little girl you should close your eyes  
That blue is getting me HIGH

Don't break, don't break my heart  
And I won't break your heart-shaped glasses  
Little girl, little girl you should close your eyes  
That blue is getting me HIGH  
Making me low  
That blue is getting me HIGH  
Making me low

And she'll never cover up what we did with her dress, no  
She said "kiss me it'll heal but it won't forget"  
&quot;Kiss me it'll heal but it won't forget&quot;

I don't mind you keeping me on pins and needles  
If I could stick to you and you stick me, too

I don't mind you keeping me on pins and needles  
If I could stick to you and you stick me, too

Don't break, don't break my heart  
And I won't break your heart-shaped glasses  
Little girl, little girl you should close your eyes  
That blue is getting me HIGH

Don't break, don't break my heart  
And I won't break your heart-shaped glasses  
Little girl, little girl you should close your eyes

That blue is getting me HIGH  
Making me low  
That blue is getting me HIGH  
Making me low
