And you think That you think All the thoughts That I thought you Dont you

Mutilation's the most Sincere form of flattery If you want to be me Then stand in line like the rest Now, do you know what I mean?

The young get less bolder The legends get older But I stay the same As long as you have less to say

Do you think that I wouldn't say this? You know that I play this Better than you.

Fuck you Fuck you And Fuck you too

Fuck you Fuck you And Fuck you too

Do you really think that I wouldn't say this? You know that I play this Better than you

Rebels without applause I sell my shadow to those Who are standing in it

They think I would Bitch about them Thinking they are the shit When they can't even step in it

The young get less bolder The legends get older But I stay the same As long as you have less to say

Do you think that I wouldn't say this? You know that I play this Better than you

Fuck you Fuck you Fuck you Fuck you And Fuck you too

The young get less bolder
