

Marilyn Manson, Scaredy Cat

I am your monster to devour
You can see the smiles on the ones I have deflowered
What can you say?
What will you do?
Your bark is bigger than the bite
Of the dog shadow eating you

I can see you, you can't hide
I am the maggot in the apple of your eye

Scaredy cat, scaredy cat, scaredy cat
You're a...

Scaredy cat, scaredy cat, scaredy cat
You're a...

Scaredy cat, scaredy cat, scaredy cat
You're a...

Scaredy cat, scaredy cat, scaredy cat

I can't believe in you

Scaredy cat, scaredy cat, scaredy cat
