Marilyn Manson, Track 99

Go aheah and build a better messiah,we can dig another grave This is your calling.

If you are hearing this, there is nothing I can do

Something has grown in my chest.

And I have seen it.

It is hard and cold.

It's been dormant for many years.

I have tried to save you, but I cannot come to save you

But this is what you deserve

This is whta we deserve

This is something that we have brought upon ourselves

We are not a victim, you are not a victim

We are not a victim, you are not a victim

God will grovel before me.

God will crawl at my feet.

These are the dying years.

These are the dying years.

When you are suffering, know that I have betrayed you.
