

# Marilyn Manson, Working Class Hero (John Lennon)

Soon as you're born they make you feel small  
Given you no time instead of it all  
Till the pain is so big you feel nothing at all  
Working class hero is something to be  
Working class hero is something to be  
They hurt you at home and hit you at school  
Hate you if you're clever and despise the fool  
Till it's so fucking crazy you can't follow the rules  
Working class hero is something to be  
Working class hero is something to be  
When they tortured and scared you for twenty odd years  
Then they expect you to pick a career  
But you can't really function you're so full of fear  
Working class hero is something to be  
Working class hero is something to be  
Keep it dope with religion, your sex and tv  
You think you're so clever and classless and free  
But you're still fucking peasants as far as I can see  
Working class hero is something to be  
Working class hero is something to be  
There's room at the top they are telling you still  
But first you must learn how to smile as you kill  
You wanna be like the folks on the hill  
Working class hero is something to be  
Working class hero is something to be  
If you wanna be a hero then just follow me  
If you wanna be a hero then just follow me....
