

Marina And The Diamonds, Homewrecker

Every boyfriend is "The One",
Until otherwise proven.
The good are never easy,
The easy never good,
And love it never happens,
Like you think it really should.
Deception and perfection,
Are wonderful traits.
One will breed love,
The other, hate.
You'll find me in
The lonely hearts,
Under I'm after,
A brand new start.

And I don't belong
To anyone.
They call me,
"Homewrecker",
Homewrecker.
They call me,
"Homewrecker",
Homewrecker.

Girls and their pearls,
And their gourmet vomit.
Boys and their toys,
And their six inch rockets.
We're all very lovely,
Till we get to know each other,
As we stop becoming friends,
And we start becoming lovers.

And I don't belong
To anyone.
They call me,
"Homewrecker",
Homewrecker.
I'm only happy,
When I'm on the run.
They call me,
"Homewrecker",
Homewrecker.
I broke a million,
Hearts just for fun.
They call me,
"Homewrecker",
Homewrecker.
I'm only happy,
When I'm on the run.
They call me,
"Homewrecker",
Homewrecker.
I broke a million,
Hearts just for fun.
I'm only happy,

When I'm on the run.
I break a million,
Hearts just for fun.
I don't belong,
To anyone.
I guess you could say,
That my life's a mess.

But I'm still looking pretty,
In this dress.
I'm the image of deception.

When everything,
Is life and death,
You may feel like,
There's nothing left.
Instead of love,
And trust and laughter,
What you get is happy,
Never after.
But deep down all you,
Want is love.
The pure kind,
We all dream of.
But we cannot,
Escape the past,
So you and I,
Will never last.

'Cause I'm a,
Homewrecker,
Homewrecker.
I'm only happy,
When I'm on the run.
'Cause I'm a,
Homewrecker,
Homewrecker.
I broke a million,
Hearts just for fun.
'Cause I'm a,
Homewrecker,
Homewrecker.
I'm only happy,
When I'm on the run.
'Cause I'm a,
Homewrecker,
Homewrecker.
I broke a million,
Hearts just for fun.
'Cause I'm a,
Homewrecker,
Homewrecker.
