

Marina And The Diamonds, Primadonna

Primadonna girl, yeah
All I ever wanted was the one
I can't help but I need it all
The primadonna life, the rise and fall
You say that I'm kinda difficult
But it's always someone else's fault
Got you wrapped around my finger, babe
You can count on feeling misbehaved
Primadonna girl,
Would you do anything for me?
Buy a big diamond ring for me?
Would you get down on your knees for me?
Pop the pretty question that I am now fearing
Beauty queen of the silver screen
I'm living life like I'm in a dream
I know I've got a big ego
I really don't know why it's such a big deal, though
And it's sad to the core, core, core
Everything is a chore, chore, chore
When you feel of a whole more more
I wanna be adored
Coz I'm a primadonna girl, yeah
All I ever wanted was the one
I can't help but I need it all
The primadonna life, the rise and fall
You say that I'm kinda difficult
But it's always someone else's fault
Got you wrapped around my finger, babe
You can count on feeling misbehaved

Primadonna girl with the boy a the Celluloid
Take a picture, I'm with the boys
Get what I want coz I asked for it
Not because I'm really that deserving of it
I'm living life like I'm in a play
With the man that I want to stay
Yeah, I know I've got a big ego
I really don't get why it's such a big deal, though

Going up, going down, down, down
When you sink to the ground, ground, ground
With the lights that are down, down, down
I spin around

Coz I'm a primadonna girl, yeah
All I ever wanted was the one I can't help but I need it all
The primadonna life, the rise and fall
You say that I'm kinda difficult
But it's always someone else's fault
Got you wrapped around my finger, babe
You can count on feeling misbehaved
Primadonna girl, yeah
All I ever wanted was the one
I can't help but I need it all
The primadonna life, the rise and fall
You say that I'm kinda difficult
But it's always someone else's fault
Got you wrapped around my finger, babe
You can count on being misbehaved
Primadonna girl
