

Marina And The Diamonds, Radioactive

Lying on a fake beach,
You'll never get a tan.
Baby, I'm gonna leave you drowning,
Until you reach for my hand.

In the night your heart is full
And by the morning empty.
But baby, I'm the one who left you,
You're not the one who left me.

When you're around me I'm radioactive.
My blood is burning, radioactive.
I'm turning radioactive.
My blood is radioactive.

My heart is nuclear.
Love is all that I fear.
I'm turning radioactive.
My blood is radioactive.

Waiting for the nightfall,
For my heart to light up.
Oh baby, I want you to die for,
For you to die for my love.
In the night your heart is full
And by the morning empty.
But baby, I'm the one who left you,
You're not the one who left me.

When you're around me I'm radioactive.
My blood is burning, radioactive.
I'm turning radioactive.
My blood is radioactive.

My heart is nuclear.
Love is all that I fear.
Ready to be let down.
And now I'm heading for a meltdown.

Tonight I feel like neon gold.
I take one look at you and I grow cold.
And I grow cold.
And I grow cold.

When you're around me I'm radioactive.
My blood is burning, radioactive.
I'm turning radioactive.
My blood is radioactive.

My heart is nuclear.
Love is all that I fear.
Ready to be let down.
And now I'm heading for a meltdown.
