

# Mario, 2 Train

There's a baby girl (That I know)  
and she's so fine  
I meet her every day (After school)  
walk her to the train to spend some time  
Cause' what her papa don't know  
wont hurt me  
mama thinks that  
i'm a cutie  
she cant wait til her sweet 16  
CUZ we just tryin to do our thing

Chorus:  
so i meet her at the 2 train everyday  
ridin all the way to 110th  
i get to hold her hand  
whisper in her ear  
the only time i get the time  
is on the 2 train (is on the 2 train, is on the 2 train)  
is on the 2 train

We always meet in the back OF car  
so noone else can interrupt  
so much to talk about (SO LITTLE TIME)  
i wish we didn't have to rush  
cause by 40 seconds to have HER listen  
70 seconds..reminiscin  
96th street PROLLY START KISSIN  
and im about to do my thang

Chorus

I can't wait  
til we wont have to worry bout noone  
has to say  
cause we'll be free wont have to sneak around no more  
cause we're here now  
and the future's not so far away  
so until that day i'll say

Chorus(2x)
