

# Marion Raven, 13 Days

13 days since you came by  
Brought the dark clouds in my life  
You've been keeping me inside  
I am sleeping, ravens fly

[Chorus :]

Wake me up before I change my mind  
Take my hand before I'm out of time  
I know what you want from me  
It's all over your face  
You've become my enemy  
In 13 days  
13 days

13, 13, 13 days  
13, 13, 13 days

Time is taking way too long  
You're still here, I'm so alone  
13 days since you came by  
I'm your prisoner in the night

[Chorus]

Here in your arms  
I'm lost at sea  
My nightmare is  
Your dream

Wake me up before I change my mind  
Take my hand before I'm out of time  
I know what you want from me  
It's all over your face  
You've become my enemy  
In 13 days  
In 13 days  
In 13 days  
13 days
