Tom Tom Tom Tom Tom Tom  
I hear the music  
Tom Tom Tom Tom Tom Tom  
That's how it goes  
Music wakes me up every morning  
Skylight seem to bring on the sun  
Bluebirds chase my blues with the dawning  
High of mile of work to be done  
Your smile makes my life worth the living  
And tells me how lucky I am  
To share in the love you are giving  
Every day, in every way  
Every city sound has a rhythm  
Rhythm with the beat of my heart  
Begging me to sing along with him  
Telling me to give love a start  
Tom Tom Tom Tom Tom Tom  
I hear the music  
Tom Tom Tom Tom Tom Tom  
That's how it goes  
All day long, the hurry and scurry  
Tangled is the web that we weave  
Happy hours whisper and worry  
As for me, my heart's on my sleeve  
Your smile makes my life worth the living  
And tells me how lucky I am  
To share in the love you are giving  
Every day, in every way  
Nightingales all welcome the nighttime  
Soothing me to sleep with their song  
Your love came along at the right time  
Love that keeps me singing along  
Ah... Tom Tom Tom Tom Tom Tom  
I hear the music  
Tom Tom Tom Tom Tom Tom  
That's how it goes  
Yeah...  
Na na na na na na na na...  
Na na na na na na na na...  
Na na na na na na na na...  
Na na na na na na na na...  
Your smile makes my life worth the living  
And tells me how lucky I am  
To share in the love you are giving  
Every day, in every way  
Nightingales all welcome the nighttime  
Soothing me to sleep with their song  
Your love came along at the right time  
Love that keeps me singing along  
It's love that keeps me singing along
