Mark Knopfler, Alison

Oh, it's so funny to be seein' ya after so long girl and with the way you look I understand that you are not impressed But I heard you let that little friend of mine take off your party dress

I'm not gonna get too sentimental like those other sticker Valentines 'cause I don't know if you are lovin' somebody I only know it isn't mine

Chorus Alison, I know this world is killin' you oh--Alison, my aim is true

Well I see you got a husband now did you leave your pretty fingers flying in the wedding cake? you used to hold him right in your hand I bet it took all he could take

Sometimes I wish that I could stop you from talkin' when I hear the silly things that you say I think somebody better put out the big light 'cause I can't stand to see you this way

Chorus
