

Mark Knopfler, The Story Of Yesterdayevening A

Jonas - The story of yesterdayevening and a whole bunch of other days yet to be continued...

looking out of the window into the dark
wish I was somewhere else
I see your face, in the glass
and I think about the past

I miss you
I miss you

I sad I'm sorry, but i cannot be
I cannot be you
And if it's not me, than whom should I be
To be close to you

I miss you
I miss you
I do ... whoo

And if it's not mean to be
than why does it hurt
when I think about
All day I think of you

I miss you
I miss you
whoo

You say it isn't me
and it's to yourself
than what should I do
Than what should I do
what should I ...

I miss you
I miss you
whoo
