

# Mark Knopfler, Whoop De Doo

If I'm over the moon  
It's because I'm over you  
A day at a time  
And I'm tickety-boo  
I don't carry on  
The way I used to  
Whoop de doo  
Whoop de doo

If I'm doing great  
It's because when I get home  
I don't go straight  
To my answerphone  
And the tears don't come  
The way they used to  
Whoop de doo  
Whoop de doo

So many little things  
Are so much better now  
They were only the little things  
Anyhow

If I'm over the moon  
It's because that's what I am  
Funny that once  
I used to give a damn  
And I'd do anything  
In the whole wide world for you  
Whoop de doo  
Whoop de doo

Anything  
Anything you'd want me to  
Whoop de doo  
Whoop de doo
