

Mark Ronson, Find You Again (feat. Camila Cabello)

[Pre-Chorus: Camila Cabello]

I'll try to pass the night away with somebody new
But they don't have a shot when I compare them to you

[Chorus: Camila Cabello]

I'll try to pass the night away with somebody new
But they don't have a shot when I compare them to you
It's too late, too late
Baby, I know I'll never find you again
Find you again

[Verse 1: Camila Cabello]

Baby, baby, I
Walk in the late night
Looking for your eyes
Put up a fight to find you
Lose it every time
You were the last of your kind
All of the blames, mine
And I remember you told me
That we could work it all out
Don't you worry
And now the tears in your eyes make it blurry
But if you say try again
I'd be ready
I'm ready (Yeah)

[Pre-Chorus: Camila Cabello]

I'll try to pass the night away with somebody new
But they don't have a shot when I compare them to you

[Chorus: Camila Cabello]

It's too late
Too late
Baby I know I'll never find you again
Find you again

[Verse 2: Camila Cabello]

Have mercy on me please
I messed up to the third degree
This crush is kind of crushing me
I do therapy at least twice a week
There's a you-shaped space in my bed
Always you-shaped thoughts inside my head
Like, I keep pushing them right into you
That's the anagram when I remember you
And I remember you told me (Told me)
That we could work it all out
Don't you worry (Yeah, yeah, yeah)
And now the tears in your eyes make it blurry
But if you say try again
I'd be ready
I'm ready (Ready)

[Pre-Chorus: Camila Cabello]

I'll try to pass the night away with somebody new
But they don't have a shot when I compare them to you

[Chorus: Camila Cabello]

It's too late, too late
Baby, I know I'll never find you again
Find you again

[Bridge: Camila Cabello]

Find you again
Find you again
Find you again
Find you again (It's too late)
Find you again (It's too late)
Find you again (It's too late)
Find you again (It's too late)
I'll try to pass the night away with somebody new (Find you again)
(Find you again)
But they don't have a shot when I compare them to you (Find you again)

[Chorus: Camila Cabello]
It's too late, too late
Baby, I know I'll never find you again
Find you again
