

Maroon 5, Better That We Break

I never knew perfection 'till
I heard you speak, and now it kills me
Just to hear you say the simple things
Now waking up is hard to do
And sleeping is impossible too
Everything is reminding me of you
What can I do?

It's not right, not okay
To say the words that you say
Maybe we're better off this way?
I'm not fine, I'm in pain
It's harder everyday
Maybe we're better off this way?
It's better that we break...

A fool to let you slip away
I chase you just to hear you say
You're scared and that you think that I'm insane

The city looks so nice from here
Pity I can't see it clearly
While you're standing there, it disappears
It disappears

It's not right, not okay
To say the words that you say

Maybe we're better off this way?
I'm not fine, I'm in pain
It's harder everyday
Maybe we're better off this way?
It's better that we break

So you're sitting all alone
You're fragile and you're cold, but that's alright
Life these days is getting rough
They've knocked you down and beat you up
But it's just a rollercoaster anyway, yeah

It's not right, not okay
To say the words that you say
Maybe we're better off this way?
I'm not fine, I'm in pain
It's harder everyday
Maybe we're better off this way?

I'm not fine, not okay
To say the words that you say
Maybe we're better off this way?

I'm not fine, I'm in pain
It's harder everyday
Maybe we're better off this way?
It's better that we break, baby
