

# Maroon 5, Grave condition

It's time  
to ask myself what is the deal  
to try and find some way to feel  
because it can't be this lonely  
can't be this lonely in here  
slowly we all disappear

There must be time  
to define this grave condition  
it won't be long  
it won't be long  
it won't be long  
it won't be long

It's time  
to find out who it is that I am  
to scrape away the garbage I can  
because it can't be this lonely can't be this lonely in here  
slowly we all disappear

There must be time  
to define this grave condition  
it won't be long  
it won't be long  
it won't be long  
it won't be long

When I'm lonely  
and I'm strung out  
let me be  
'cause I'm not right  
this is only my condition  
and I may be  
another night

When I'm lonely  
and I'm strung out  
let me be  
'cause I'm not right  
this is only my condition  
and I may be  
another night

When I'm lonely  
and I'm strung out  
let me be  
'cause I'm not right  
this is only my condition  
and I may be  
another night
