

# Maroon 5, Harder To Breathe

How dare you say that my behavior's unacceptable  
So condescending, unnecessarily critical  
I have the tendency of getting very physical  
So watch your step cause if I do you'll need a miracle

You drain me dry and make me wonder why I'm even here  
This double vision I was seeing is finally clear  
You want to stay but you know very well I want you gone  
Not fit to fuckin' tread the ground that I am walking on

When it gets cold outside and you got nobody to love  
You'll understand what I mean when I say  
There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams  
Is there anyone out there cause it's getting harder and harder to breathe  
Is there anyone out there cause it's getting harder and harder to breathe

What you are doing is screwing things up inside my head  
You should know better you never listened to a word I said  
Clutching your pillow and writhing in a naked sweat  
Hoping somebody someday will do you like I did

When it gets cold outside and you got nobody to love  
You'll understand what I mean when I say  
There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams  
Is there anyone out there cause it's getting harder and harder to breathe  
Is there anyone out there cause it's getting harder and harder to breathe

Does it kill  
Does it burn  
Is it painful to learn  
That it's me that has all the control

Does it thrill  
Does it sting  
When you feel what I bring  
And you wish that you had me to hold

When it gets cold outside and you got nobody to love  
You'll understand what I mean when I say  
There's no way we're gonna give up

And like a little girl cries in the face of a monster that lives in her dreams  
Is there anyone out there cause it's getting harder and harder to breathe  
Is there anyone out there cause it's getting harder and harder to breathe
